

## **Fairfield Hills Golf Course and Range**

### Outing request letter

Fairfield Hills Golf Course is a great course for an outing. Being par 30, with scenic rolling hills, a little sand and water, it lends itself to all skill levels. Even new golfers can play a round in less than two hours. Wedding, family reunions, small business outings, and parties will feel right at home at Fairfield Hills. A certified PGA golf professional would be willing to do a clinic before the round.

Fairfield has all the amenities to help you hold your outing. Perks are available depending on the size of your outing. Feel free to come out to Fairfield to see our scenic layout and to discuss your ideas. Greens fees are \$15.00 for nine holes. Please keep Fairfield Hills in mind to help run your outing. A contact page is included.
