### FORMAT

Individual league, men and women welcome! Format is a handicapped, stableford point system. Handicaps are based on average score, with the 2 worst rounds entered being dropped. Points are then awarded based on hole scores, with handicap being taken into account. Max score on a hole is double bogey. Points are awarded as follows:

Double Bogey: 0 PTS      Bogey: 1 PT      Par: 2 PTS      Birdie: 3 PTS      Eagle: 4 PTS

Points earned are totaled over the 14 weeks to determine 1st, 2nd, 3rd place.

### RULES

Men 55 & Under - White Tees                      Men 56+, & Women - option to play Red Tees

Players may improve their lie, and move their ball within 1 scorecard length of their ball's original resting place if the ball comes to rest in a divot; must maintain like surfaces - if your ball is in the rough, you can improve your lie but must still hit from the rough.

If you hit a ball Out of Bounds, take a drop 2 club-lengths away from spot where the ball crossed into the hazard, and add a stroke. For instance, if you hit your 1<sup>st</sup> shot out of bounds, take a drop where you think it went in, and then you will be hitting your 3<sup>rd</sup> shot from there.

For rounds not played during the weekly Wednesday shotgun start, players must play with at least one other member of the league. Rounds played alone will not be scored, and will not count towards the league. Player's must also notify a golf course employee that a makeup round is being played BEFORE playing the round, otherwise that round will not be counted.

Missed rounds can be made-up up to two weeks after the date of the original round. For instance, if the missed round date is 6/8, the player has until 6/22 to make up the round. After two weeks, players will be awarded 50% of their average weekly score for the missed round.

### END OF SEASON FUN NIGHT

The end of season fun night will be TBD. The format will be a scramble, and players will be paired with the groups they normally play with. Team handicaps will be set based on play throughout the year.
