FORMAT

Individual league, men and women welcome! The league will be individual with each person playing their own ball. People can choose who they want to golf with, and singles will be matched up with a group. Format is a handicapped, Stableford point system. Handicaps are based on average score, with the 2 worst rounds entered being dropped. Points are then awarded based on hole scores, with handicap being taken into account. Max score on a hole is double bogey. Points are awarded as follows:

Double Bogey: 0 PTS Bogey: 1 PT Par: 2 PTS Birdie: 3 PTS Eagle: 4 PTS

Points earned are totaled over the 14 weeks to determine 1st, 2nd, 3rd place.

RULES

Men 55 & Under - White Tees Men 56+, & Women - option to play Red Tees

Players may improve their lie, and move their ball within 1 scorecard length of their ball's original resting place; must maintain like surfaces - if your ball is in the rough, you can improve your lie but must still hit from the rough.

If you hit a ball Out of Bounds, take a drop 2 club-lengths away from spot where the ball crossed into the hazard, and add a stroke. For instance, if you hit your 1st shot out of bounds, take a drop where you think it went in, and then you will be hitting your 3rd shot from there.

Players must play with at least one other member of the league. Rounds played alone will not be scored, and will not count towards the league.

Missed rounds can be made-up up to one week after the date of the original round. For instance, if the missed round date is 6/5, the player has until 6/11 to make up the round. After one week, players will be awarded 50% of their average weekly score for the missed round.

END OF SEASON FUN NIGHT

Fun Night at the end of the season will be TBD. The format this year will be a scramble. Players will be paired with the groups they normally play with, and each team will be given a handicap based on the team's combined handicaps from the season.

Please ask in the Clubhouse for more information or if you have any questions.
