Handicaps are based on average score, with the 2 worst rounds entered being dropped from the points total. Max score on a hole is double bogey. Points are awarded as follows:

Double Bogey:	0 PTS
Bogey:	1 PT
Par:	2 PTS
Birdie:	3 PTS
Eagle:	4 PTS

Points earned are totaled over the 12 weeks to determine 1st, 2nd, 3rd place.

RULES

Men 55 & Under - White Tees
Men 56+, & Women - option to play Red Tees (must play from same tees entire season)

Players may improve their lie, and move their ball within 1 scorecard length of their ball's original resting place; must maintain like surfaces - if your ball is in the rough, you can improve your lie but must still hit from the rough

Players must play with at least one other member of the league. Rounds played alone will not be scored, and will not count towards the league.

Missed rounds can be made-up up to two weeks after the date of the original round. For instance, if the missed round date is 6/3, the player has until 6/17 to make up the round. After two weeks, players will be awarded 50% of their average weekly score for the missed round.

END OF SEASON FUN NIGHT

Fun Night at the end of the season will be TBD. The format this year will be a 12 hole scramble. Players will be paired with the groups they normally play with, and each team will be given a handicap based on the team's combined handicaps from the season.
